It Seems To Me...

Dubbed “the American Tolkien” by Time magazine, George R. R. Martin has earned international acclaim for his monumental cycle of epic fantasy. Now the #1 New York Times bestselling author delivers the fifth book in his spellbinding landmark series—as both familiar faces and surprising new forces vie for a foothold in a fragmented empire.

In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance once again—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has three times three thousand enemies, and many have set out to find her. Yet, as they gather, one young man
embarks upon his own quest for the queen, with an entirely different goal in mind.

To the north lies the mammoth Wall of ice and stone—a structure only as strong as those guarding it. There, Jon Snow, 998th Lord Commander of the Night’s Watch, will face his greatest challenge yet. For he has powerful foes not only within the Watch but also beyond, in the land of the creatures of ice.

And from all corners, bitter conflicts soon reignite, intimate betrayals are perpetrated, and a grand cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all...

Considering the number of reviews...both positive and negative...well the numbers alone give credit to the series. I love this series...the adventure...scandal and complexity of the characters. I am sure that when the book becomes available, I will find it well worth the wait. That said I think that all of the haters should get out of their mothers basements...quit playing WOW...and maybe run a few miles, or try getting a date or something. Get rid of some that pent up Im a looser in life...I need my Fantasy escapism frustration.
