Art of the Flight Jacket: Classic Leather Jackets of World War II (Schiffer Military/Aviation History) by Jon A. Maguire

Great Book On Wwii Flight Jacket Artwork

Following the success of their first volume American Flight Jackets, Airmen & Aircraft: A History of U.S. Flyers Jackets from World War I to Desert Storm, Jon Maguire and John Conway focus solely on the painted leather jackets of the World War II years in this all new volume.

My Personal Review:
I wanted a book for research for having a new leather A2 flight jacket painted. I found this book to be very informative, and with many excellent photos. I recommend it to anyone with an interest in WWII flight jacket artwork.
