The sky in Montana somehow seems bigger, bluer, and more spectacular than in any other state. Author Sneed B. Collard, III writes, its simply because our sky stretches over such an abundance of beauty. In B is for Big Sky Country readers will find out where the Going-to-the-Sun Road really takes you and what city the copper dome calls home.

My Personal Review:
I bought this as a gift for my brother in law. A native Montanan. He can read it to his little girl. It was very cute, I like the two levels of reading. The simple part for younger folks and more in depth for us grown ups and older kids. I plan on buying the Oregon version for my kids for xmas.
