In the too-quiet town of Oakwood, only the lucky die of boredom . . . and new homeowner Zack Walker isn't feeling lucky. Whoever said the burbs were boring will think twice after reading Linwood Barclay's hilarious debut mystery, in which Dad - who masterminded a plot to trade his family's exciting city lifestyle for one of suburban tranquility - learns the hard way that he doesn't always know best.

**Personal Review: Bad Move by Linwood Barclay**
Linwood Barclay has created the ultimate character, the everyman: Zack Walker. If there was ever a bumbling father, Zack is the man. With every good intention comes a consequence. This is the stuff that Barclay was born to write, hilarious, touching. More of Zack's escapades can be found in the follow up books, such as Bad Guys, Lone Wolf, and Stone Rain. If you want an unforgettable character, Zack Walker tops the bill. I'm surprised no one has made these into movies. Yet? You won't regret reading these, they're a hoot!
