My Personal Review: In this colorful cookbook, sure to catch the eye of the youngest chief, we are taken into a world of delightful, yummy childrens recipes. My granddaughter and I prepared, cooked and shared Spectacular Berry Pancakes. Yummy! What a treat. Strawberry shares great recipes that are fun to make, and fun to eat; from breakfast right through the day. She gives cooking tips, rules of safety and even a few stories are tucked into this wonderful book. A little added plus is a set of measuring spoons to use. Nice touch.

Colorful, useful, kid and parent friendly, this is a wonderful book for young and old. A fun read, along with a super learning and sharing experience. Recommended.
