Blue 2: A Pop-up Book for Children of All Ages by David A. Carter

Timeless Clever Piece Of Work - Dont Waste It Just On A 4 Year Old!

Blue 2 is a beautiful cacophony delighting everyone! From a to z each letter gives a clue to where the Blue 2 is hidden in each of these spectacular pop-up sculptures. There's a glistening Blue 2, a slippery Blue 2, and even a suspended Blue 2. With gleeful helixes, jubilant kookiness, and mobile nonsense, each page will stun with its paper pop-up phenomenon. This sequel to One Red Dot is surely one to treasure.

This is a simple, yet clever book. Don't be deceived by the 4-8 year age group because my teenage children loved to seek out the hidden features and examine the modern sculptural settings the book creates. Of course you can share it with a younger child but if you want to treasure book even though it appears seemingly robust for a pop up, supervise little hands around it. It is a treasure hunt for all ages at all levels. You have alphabet, art, engineering all rolled into one effective fun book. We also have 600 Black Spots, and One Red Dot and cannot wait to see what the next book
the Yellow Square will have in store! So happy to have hunted down a new copy of this one in the meantime!
