Bo: Life, laughs, and lessons of a college football legend by Mitch Albom

He'll Always Be In Our Hearts....

My Personal Review:
For anyone who knew of Bo (and if you have to ask Bo who, don't bother reading on) or watched him coach for the two decades at the Big House, you will love this book. This is a behind the scenes look at what you always wished you were a fly on the wall to observe. This gives you another view of what the man was really like. I actually read about some of the players I knew when I attended. Most importantly, it shows the kind of human being Bo was: the BEST! This will make you laugh, cry, and scream "Go Blue" with every chapter.
