A circus performer terrorized by mysterious powers from beyond. A jade idol of a monkey that carries a curse on a South Pacific island drives a man to the brink of madness. An art gallery haunted by paintings that come to life at night. A dictator who sees enemies around every corner, but who can't see the threat right before his eyes. For nearly twenty years, the comic-book series Boris Karloff Tales of Mystery wove stories of intrigue, suspense, and macabre drama. Hosted by renowned actor Boris Karloff, the comic featured contributions from some of comics history's most well-known creators: Alex Toth, Joe Orlando (EC Comics artist and editor), Mike Sekowsky (Justice League of America artist), Frank Thorne, Jose Luis Garcia-Lopez, Arnold Drake, Len Wein (co-creator of Swamp Thing and Wolverine), Al Williamson, Jerry Robinson (creator of the Joker), Dan Spiegle, and many others.

My Personal Review:
Dark Horse has breathed life into yet another Gold Key classic series. Boris Karloff, Tales of Mystery was a mainstay of the line from 1962 until the day it folded.

Reading through the four books presented in total, I remembered why I enjoyed them so much. It's not that the art was always great, nor that the stories were so extraordinary either. I was young, and they were frightening. Now, they are still surprising, yet the art takes me to time when I wondered who these folks were who made them. I like the art of Heck, Sekowsky, Gill, Evans, Speigle, Giolitti, Certa and Moore. No matter what kind of paper they are printed on, you can tell. Having written a book
on Tom Gill, I appreciate this opportunity to see his work the way he would have liked to see it, in glossy color.

Do I have a favorite story? It is hard to pinpoint any one book that does stand out.

The forward by Sara Karloff is welcome. Learning a little more about Mr Boris Karloff is a treat. The cover for this book rocks!

Well done folks.
