An elite school. Glamorous students who have fancy cars and mansions for homes (and all the haughty attitude to go with it). This is Katie OConnors fabulous new life since her familys recent move to Brentwood – a perfect opportunity for a fresh start, at least in theory.

The only time she can overlook the hostility of her classmates is when they share the stage for plays. Onstage, directed by her awesome drama teacher, Tess, she has the confidence and talent that she cannot seem to muster in her everyday life. And it doesnt hurt that one of Katies fellow actors is smart and cute and interested in her. But beneath the glossy surface, there are secrets buried deep, even in Katies own past.

Nightmares and dark memories continue to plague Katies consciousness, and in order to deal with the present, she needs to come to terms with the past. If only she could remember it.

My Personal Review:
Circle the Soul Softly wraps itself around the reader like a shawl woven from sweet and sorrowful strands of truth. It holds you, and gently insists you hear what it means to be human. Why do we feel what we feel? What are the stories behind our behavior? These universal themes are explored in Davida Wills Hurwins beautifully expressive, skilled prose. Circle the Soul Softly offers a deeply intimate psychological portrait of how a young women begins to lift the covers off her memory and reveal a past she had forgotten. The covers are heavy. They come off slowly. And when the truth of her childhood emerges, Hurwin is clear with the reader; revelation is just the first step in healing. This novel does not succumb to the "quick fix". Integrating (into the present) our wounds, our grief, our past... takes time. In this compassionate, expertly crafted work of fiction, Ms. Hurwin
gets at the deeper truth. I read it one sitting a week ago, and still feel held in its soulful circle.
