Tuiga, Mariquita, Cambria, Shamrock, Eleonora, Zaca, Moonbeam, Lulworth, Sunshine, Partridge, Altair, Nan, Marilee, and Bona Fide: these are the sailing yachts of legend. Restored in the last ten years, the original splendor of these superb boats is now profiled on the pages of Classic Yachts. A testimony to maritime history, this book tells each sailing vessels story through arresting photographs, an informative text, and architectural diagrams. Author François Chevalier recounts the entertaining history of these boats, covering everything from their construction and restoration to anecdotal tales of regattas won and lost. Gary Jobson, Americas preeminent sailing ambassador, provides a foreword and lively captions, which underscore the contemporary significance of these traditional yachts. Double-page spreads and a unique, oversized oblong format feature Martin-Ragets brilliant photographs--readers feel as if they are on deck with the crew. While outdoor photography captures the excitement on board, images of the boats interiors offer a peak at their luxurious accommodations. In addition, illustrator François Chevaliers detailed diagrams of each vessel provide the reader an overview of each boats architecture. Capturing the spirit of sailing on an open sea, Classic Yachts offers a breathtaking survey of an epic sport. 283 full-color photographs and 84 black-and-white diagrams
