Complete Works of Oscar Wilde (Collins Classics) by Oscar Wilde

Continuously in print since 1948, Collins Complete Works of Oscar Wilde has long been established as the most comprehensive and authoritative single-volume collection of Wilde’s works available, containing his only novel, The Picture of Dorian Gray, as well as his plays, stories, poems, essays, and letters—all in their most authoritative texts. Edited and introduced by Merlin Holland, Wilde’s grandson, this handsome volume also includes a comprehensive bibliography and a chronology of Oscar Wilde’s life and work. With an Introduction by the editor.

Features:
* ISBN13: 9780007144358

Oscar Wilde is a genius. His social satire is as crisp and hilarious as it was when it first appeared. He is one of the very first literary loves of my life. (I was reading his stuff before I even understood many of the references, while still loving his sharp language and witty repartee!) This is an excellent collection of his works - really well-done and well-edited. I highly recommend him.
