My Personal Review:
I think this book should have gotten an award right when the first copy got printed! Me and my mom were at the grocery store and I spotted it! I begged my mom to get it and finally she gave up. The book should be for people maybe 7 or up this book is about a woman who sees a fairy and then writes in a journal about the experience. This is an awesome pop up book that once you read a sentence you cant stop reading it!
