An inspiring new addition to the First Reference series, the DK First Animal Encyclopedia is loaded with spectacular photographs showing animal habits and habitats. From aardvark to zebra, this book is packed with fascinating facts about animals, giving children a wonderful head start on learning about the animal world.

My Personal Review:
I bought this book for my 6 and 9 year old boys. They love it. Its filled with awesome pictures, interesting facts and information, and it is well written and easy to understand. We usually read a section or two each night. Its become my 6 year olds favorite book to read.
