Five-a-Day Fruit and Vegetable Cookbook by Kate Whiteman

Beautiful Book!

Features more than 400 classic and contemporary recipes for appetizers, soups, salads, dinner-party dishes, family favorites, light lunches, and desserts.

My Personal Review:
This is a fantastic book...it goes through each fruit and vegetable and tells you how to store them, the best ways to cook them, and even gives you recipes by section. Very colorful, very easy to read and understand - I've been bringing it to bed each night - you will thoroughly enjoy this book!
