In the tradition of the best-selling Monets Table, Fridas Fiestas is a personal account in words and pictures of many important and happy events in the life of Mexican artist Frida Kahlo, and a scrapbook, assembled by her stepdaughter, of recipes for more than 100 dishes that Frida served to family and friends with her characteristic enthusiasm for all the pleasures of life. Full-color photographs.

This is a fascinating book with gorgeous photographs of fiestas which would have been prepared by Frida for parties at home in Mexico. We all know that Frida was an extraordinary artist, but it's quite an eye-opener to find out that she was also an outstanding cook!
