After a quarter of a century of silence, Henry Hill can finally tell us the rest of his story. Taking readers on a crazy ride of his life hiding out in the Witness Protection Program, doing prison time for drug charges and testifying in high profile mafia trials.

**Personal Review: Gangsters and Goodfellas: Wiseguys, Witness Protection, and Life on the Run by Henry Hill**

People basing this book on the movie "Goodfellas" would be very disappointed. If you looking for the inspiring book of the screenplay for "Goodfellas" should look for Wiseguy by Peligio.
