My Personal Review:
Ok so if your a collector and a fan of Gears of War then get this book. The only reason i bought it online is because the idiots at game stop told me they had enough copies to buy not preorder and if you were the first 12 online for the midnight release they could almost guarantee you a copy. So i did, i was 6 inline waited then as im picking up the game they say we only have 3 copies, MORONS!!!!! so i got it online $10 cheaper and w amazon prime i got it within 4 days. So yeah it was worth the wait.
