Personal Review: Glamourpuss: The Enchanting World of Kitty Wigs by Julie Jackson
The title says it all - Glamourpuss: The Enchanting World of Kitty Wigs. I gave this to a friend of my dear departed parents who has mostly everything she needs.

She hadn't seen the Christmas reviews of this book; this was a total and charming surprise. Of course I had to preview it myself for quality control -
SO darn cute and creative. Of course the age-old question is "how did they get the cats to sit still?"

And, emote at the same time - the languorous expressions of the feline will turn even the hardest heart around.
