Great Moments in Jewish History by Elinor Slater

The authors bring to life events that have over the past four thousand years shaped the Jewish people and determined the course of their history. Divided into four sections—Moments of Courage, Moments of Joy, Moments of Despair, and Moments of Creativity—this stirring work recreates the high points and low points of the Jewish adventure over the millennia and throughout the world, affording us today the opportunity to experience the momentous Jewish past. With black-and-white photographs.
