Hello, Tilly: A Tilly and Friends Books by Polly Dunbar

Simple And Sweet - My Toddler Loves It!

Meet Tilly and her friends! From the celebrated Polly Dunbar comes the first in a series of humorous stories about a lovable group of pals.

Tilly lives in a little yellow house with her best friends. Peek in on Tiptoe, Hector, Doodle, Pru, and Tumpty as they play the trumpet, bang the drum, eat a feast, and dance the Wiggle Wiggle Woo. Whump! Bump! Whoops!

My Personal Review:
This book is one of my toddler's favorite reads. It's primary low-point for me as an adult is that it is totally nonsensical. Nonsensical though it may be, it's perfectly at the level of little children. There's no deep lessons here and no real plot at all, but it's highly entertaining for my 2 year old. The characters are sweet and lovable, and the illustrations are really lovely. I totally recommend it!
