As the Baby Boomer generation moves into its sixties, the percentage of Americans aged 65 and older continues to grow, and so does the demand for products that fit their needs. The Holman Giant Print Illustrated Bible Dictionary is the most comprehensive, four-color Bible dictionary in the world, containing more than 3,600 entries arranged alphabetically and lavishly illustrated throughout. Featuring the largest type available in the giant print format, this essential Bible reference tool will be welcomed by the large percentage of persons who use reading glasses today.

My Personal Review:
I ordered this book late at night to my surprise it was shipped the next morning. Great and very fast service. I will enjoy researching with this large print.

Thanks for the fast service.
