How to Really Stink at Work: A Guide to Making Yourself Fire-Proof While Having the Most Fun Possible by Brian Hartt

Foxworthy Has Done It Again!!

New York Times bestselling humorist Jeff Foxworthy offers a hilarious illustrated guide to having the most fun possible at work while doing the least—without getting fired.

The better you are at your job, the longer your hours are going to be. And how many people on their deathbeds say “I wish I had spent more time at the office?” With that in mind, Jeff Foxworthy asks you to embrace the fact that you do stink at work (or secretly want to).

How to Really Stink at Work will help you relieve yourself of all that responsibility and accountability—in sections like:

• “Becoming Unfireable” (Get your boss drunk and record it)

• “Avoiding Work” (When all else fails—that fire alarm’s not there for nothing!)
“Alienating Colleagues” (Nothing says “stay away from that guy” like a grossly inappropriate secret Santa gift)

Filled with laugh-out-loud illustrations, How to Really Stink at Work is the funniest guide to not-getting-ahead you’ll ever read.

My Personal Review:
Jeff Foxworthy has once again produced a laugh a page book. Once you start reading "How to Really Stink at Work" you will see your work mates and maybe yourself as you read page after page. Make sure you have the time to read cover to cover before starting the first page because you won't want to stop until the last page has been read.
