In the Eye of the Storm: Swept to the Center by God by Gene Robinson

Gene Robinson is bishop of the tiny, rural Episcopal Diocese of New Hampshire, but he's at the center of a storm of controversy raging in the Episcopal Church and throughout the worldwide Anglican Communion involving homosexuality, the priesthood, and the future of the Communion. This book offers an honest, thoughtful portrait of Robinson, the faith that has informed his life, and the controversy that continues to rock his Church.
