Adorable!

Just in time for Mothers Day and Fathers Day, these nostalgic, sweet picture books help parents and kids bridge the generation gap! Each book compares the enduring hallmarks of childhood-playing with toys, going to school, taking family vacations-as experienced by kids today and their parents a generation ago. Just Like Mommy and Just Like Daddy lovingly show that while times have changed, our needs have stayed the same. Sweet, simple text and delightfully retro artwork convey just how much we have in common with our kids.

Illustrated by Megan E. Bryant.

My Personal Review:
It reminds me of my mommy, and I love my mommy. My mommy and me LOVE the pictures. They are smooth and you can feel some of the details. The story is good too. It shows you how things were different back when my mommy was a kid, but we still like the same things like skating, cooking, writing letters, and stuff like that. It is like a first reader book and anyone can read it. My mom and I read it all the time. This review was written by

Annamarie (with assistance of her mommy, Dawn)

Mommys notes: Stacy Peterson is a great illustrator! I love the pictures.
