Keena Ford and the Field Trip Mix-up
by Melissa Thomson

Funny Book About A Mischievous Little Girl!

Keena Ford doesn’t mean to get in trouble. In fact, she is very excited to go on a field trip to the United States Capitol with her second-grade class. At school, she is running for a spot on the student council, and on the field trip she’s going to meet a real live US Representative. She’s trying to be on her best behavior. It’s just that mean Tiffany Harris keeps teasing Keena, and Keena does not like to be teased. Award-winning artist Frank Morrison has once again created spot-on illustrations to perfectly compliment this new laugh-out-loud Keena Ford adventure.

My Personal Review:
This is the second book in the KEENA FORD series, and it might even be funnier than the first. Keena’s voice and point of view are so dead-on second grade, and you'll be laughing out loud at her apology letter at the end of the story. Poor Keena, she tries so hard with that thesaurus! Read this book, you won't regret it!
