This book is an adaptation of the classic novel King Arthur and the Knights of the Round Table. King Arthur is one of the greatest legends of all time. From the magical moment when Arthur releases the sword in the stone to the quest for the Holy Grail and the final tragedy of the Last Battle, this easy to read adaptation is guaranteed to hook beginning readers not yet ready to tackle the original.

My Personal Review:
A great introduction to King Arthur. Rich language and illustrations. Abbreviated versions of the most famous King Arthur stories. Graphic novel format, but illustrations are high quality.
