Life Application Study Bible is the first study Bible I turn to when I do not understand the meaning of a passage, and I can find satisfactory answers
around 80% of the time. I also use NIV Study Bible from time to time, but I find the notes in Life Application Study Bible far better in that they are written for the sake of applying the passage to our lives.

My wife and I are planning to join a mission organization in the near future and I will definitely take this Bible to a mission field!
