The resident master carpenter on PBSs ever-popular program, This Old House, presents a finely packaged, illustrated handbook designed for gift-giving containing sixty simple lessons in the nuts and bolts of carpentry.

**Personal Review: Measure Twice, Cut Once: Lessons from a Master Carpenter by Norm Abram**
Norm talks about different tools and their uses. If you like T H O as i do then you will really like this book. It is like sitting down and talking one on one with Norm.
