The Wall Street Journal called Andrea Nierenberg a networking success story. She is a master at helping others build their interpersonal skills to create strong connections. In her first book, she told you how to improve your life, luck, and career through personal networking. In Million Dollar Networking, this top corporate consultant focuses on what she knows best – building business through networking and shows you how to find and develop a solid network of business relationships and lifelong customers. For all types of businesses – from manufacturing to financial services, from technology companies to retailers – Andrea provides the universal rules of effective networking, highlights the types of people who can be helpful to you professionally, offers easy-to-follow steps for transforming your
business connections, and explains the attributes of great networkers and how you can attain them. In her frank, relaxed style, Andrea’s new book is just as fun to read as Nonstop Networking, but even more full of useful tips and actions points, plus exercises, to help you put her teaching into your business plan.

**Personal Review: Million Dollar Networking: The Sure Way To Find, Keep And Grow Your Business (Capital Business) by Andrea Nierenberg**

What is the best way to grow your business, further your name recognition and meet new people all at the same time? Learn to effectively and efficiently network. Many people see networking as a burden but Nierenberg flips the script giving you motivation to get your networking on. MILLION DOLLAR NETWORKING is packed full of useful advice, time saving tips, along with all the how to's and what for's. Even though this book is stocked in the business section, it should be read by people looking for employment, business owners, and everyday people wanting more out of life.

MILLION DOLLAR NETWORKING is a follow-up to Nierenberg's "Nonstop Networking" but can easily be used as a stand alone and provides new information. The easy to read format, clever stories, and use-it-now ideas will increase your networking skills making you more marketable. Reading this book has provided keys to increasing my networking circle and I'm sure it will do the same for you.
