My Personal Review:
BIAS ALERT! I am the illustrator of this book and VERY excited about it :) MONKEY BUSINESS is my first book illustrated for another author and also contains some of my favorite illustration work to date. A big thanks to Shirley Climo for writing the book and to the editors at Henry Holt for letting me illustrate it.

The 14 different stories (and monkeys within) required careful research on primates and cultural/enviromental settings at zoos and libraries. Expressions and gestures are certainly exaggerated for effect, but opposable thumbs, prehensile tails etc. are all pegged to the appropriate primates. Enjoy!
