Monster Stocks: How They Set Up, Run Up, Top and Make You Money by John Boik

Great Stock Market Book

Everything you need to know to get in on the ground floor of the next Google!

Monster Stocks gives you the expert guidance you need to add the explosive power of breakout stocks to your portfolio. You’ll find everything you need to consistently spot stocks that have the potential to at the very least, double in value in a year or less - and change your life forever!

Delivered in clear, concise language by market researcher John Boik, Monster Stocks gives you the tools you need to land super-performing stocks and handle them for maximum profit, market cycle after market cycle. Boik mines the history of the market to uncover the common conditions that must be in place for monster stocks to materialize. You’ll learn how to easily identify these trends with the help of real-world monster stock case studies, from Yahoo! and Schwab to Apple, Broadcom, and many more.

Make your fortune with Monster Stocks!

Know when to buy and when to sell for tremendous profit
Understand how the pros identify and handle market leaders
Learn from the great super stocks of the past
Break your bad stock investing habits for good!
Gain valuable insight into selecting future monster stocks

My Personal Review:
John Boik presents a well thought out method for acquiring wealth. The big money he claims is made in finding those few companies who can change the world. If an investor can recognize these monster stocks and manage them correctly, the result will be life changing wealth. Boik gives the reader a history lesson--that all monster stocks display the same characteristics just the names of the companies and their symbols change.
