One cool day Mouse and Minka venture out to play. From leaves of all colors -- red, yellow, orange, and brown -- to leaves of all shapes and sizes -- from pointy to round -- Mouse learns that fall is a season full of fun! And before the day is done he just might take the biggest leap of all. Hooray for fall!

My Personal Review:
Its Mouses first fall season in Lauren Thompsons MOUSES FIRST FALL, and Mouse is pleased: falling leaves are different colors, fun to play in, and encourage him in new simple play activities. Buket Erdogan provides fun, easy drawings to accent this simple tale of a little mouses playful Fall encounters.
