My Abuelita by Tony Johnston

Product Description  Abuelitas hair is the color of salt. Her face is as crinkled as a dried chile. She booms out words as wild as blossoms blooming. She stuffs her carcacha--her jalopy--with all the things she needs: a plumed snake, a castle, a skeleton, and more. Her grandson knows he has the most amazing grandmother ever--with a very important job. What does Abuelita do? With her booming voice and wonderful props, Abuelita is a storyteller. Next to being a grandmother, that may be the most important job of all. Sprinkled with Spanish and infused with love, My Abuelita is a glorious celebration of family, imagination, and the power of story.

My personal Review:
MY ABUELITA receives Yuyi Morales' warm drawings and tells of Abuelita's hair, the color of salt, who is wild and loud. Her grandson knows he has the most amazing grandmother - but what could her special job be? Spanish and English celebrate family ties and a special grandmother’s skills.
