My Hero to Be Chosen: Eight finalists will compete tonight for the title My Hero. The winner will wear the coveted gold Hero medal. These brave and courageous dogs will each appear with their nominator who will tell their story.

Theres Smiley, who fought a giant bull. Bear used his giant paws to save the life of another dog. Munchkin warned a gardener of a poisonous snake about to strike. Old Dog helped find people buried under rubble after a tornado. Buster pulled a baby carriage out of the path of a careening truck. Blue, who had never been known to bark, used his voice to bring help to his wounded master. Dopeys constant barking saved the life of a baby left in a sweltering car. Little Bit brought love and companionship to a nursing home resident.

Each story is told in the unique, sometimes humorous, but always Compelling voice of the person whose life was changed by the heroic action of a very extraordinary dog. Betsy Byars and her daughters Betsy Duffey and Laurie Myers have joined forces to create dog stories full of adventure and suspense. Loren Longs paintings capture the heroic dignity of each of the dogs and heighten the drama of their special stories.

My Personal Review:
Anyone who likes to read about dogs, here's a book for you! "My Dog, My Hero" is by Betsy Byers and is set in Mr.Frankie's trailer park. The main characters were Smiley, Bear, Munchkin, Old Dog, Buster, Blue, Little Bit and Dopey who were all great dogs. In the story the main characters saved people's lives and other dogs' lives. The main characters also ran into
problems like: bulls getting out of gates, helping a man not to get a snake bite, helping another dog from frozen ice, preventing a car that almost ran over a baby who was in a stroller, and more. My favorite character is Dopey because when he barks it means that something is out of place. Dopey reminds me of myself. I can relate to him because I also react when something is out of place. The only difference is instead of barking, I speak my mind. I have a connection that's a text to text: When our class read a book called "Escaping the Giant Wave," Pansy (Norm and Josie's pet) warned Bee Bee and Kyle that another wave was coming, just like Dopey warned his friend that a baby was in a car by himself.

I liked the book because it was about helpful dogs who became heroes. The book was very interesting and it reminded me of the saying that "Dogs are man's best friend." Any kids who are 8-10 years old and loves dogs will enjoy reading about the adventures of these brave dogs.
