My Momma Likes to Say Edition 1. by Denise Brennan-Nelson

From the author of Buzzy the bumblebee comes a child's hilarious visual interpretation of such parental idioms and witticisms as Hold your horses; Money doesn't grow on trees; and I have eyes in the back of my head. Cat got your tongue?

My Momma likes to say.

I'm not sure what she means

but I like it anyway. My cat has never tried
to take my tongue away.

But if he did, he'd find that it
can stretch a long, long way.

My Personal Review:
A book enjoyable for both children and adults, My Momma Likes to Say includes a fun rhyming verse for youngsters including sayings like "Time flies when you're having fun," "Money doesn't grow on trees," "Hold your horses," and lots more plus a corner aside that explains where the saying comes from and what it means. Also included is a lined page in the back to put sayings your own momma says. Whimsical illustrations round out this one-of-a-kind picture book.
