After struggling against the gods and his fate for more than twenty years, Odysseus has returned to Ithaca at last. But things have changed: his island has been overrun by suitors who clamor for his wife’s hand in marriage and plague his son, Telemachus. With the help of the gray-eyed goddess, Athena, Odysseus and Telemachus must set out to regain control of Ithaca. In the last book of the series based on episodes from Homer’s Odyssey, Mary Pope Osborne brings one of the greatest adventures of all time to a dramatic climax.

My Personal Review:
Hyperion/Disney still prints books 1-4 in this series. Some genius over there halted the presses on books 5 and 6 though.

what is up with that? The books are great, so i will still rate highly, but i am so angry.
