Like its predecessors, Once Upon a Time and A Place in the Sun, Poolside with Slim Aarons offers images of jet-setters and the wealthy, of beautiful, glittering people living the glamorous life. Yet this new collection of stunning photographs of the rich and well-connected “doing attractive things” in their favorite playgrounds has a new twist.

The main character is pools and everything that goes with them—magnificent, suntanned bodies; well-oiled skin; bikini-clad women; yachts; summer cocktails; sumptuous buffets; spectacular locations; and most of all: fun. Poolside is not so much a Who’s Who of society, aristocracy, and celebrity—although C. Z. Guest, Lilly Pulitzer, Cheryl Tiegs, Peter Beard, and many who have appeared in the previous books are here—as it is about leisure time and how the rich make use of it. This is a more intimate peek into very private lives, to which Slim Aarons was given unprecedented access in the fifties, sixties, seventies, and eighties.

From the Caribbean to Italy and Mexico to Monaco, Poolside with Slim Aarons whisks the reader away to an exclusive club where taste, style, luxury, and grandeur prevail.

My Personal Review:
Poolside is a wonderfull journey back in time with sometimes perfect architecture of the surrounding buildings. Most of the names were not familiar for me of the jet set people but it sure gives great value for money.
If you like the coloursettings of "Thunderbirds" or "I dream of Jeannie" this is a book worthwhile.
Did people in those days have more class & civilisation than nowadays? If you liked "Back to the future" than you will like Poolside!
