No other sports car has had a run like Porsche’s, on the street or on the worlds racetracks. On the eve of Porsche’s 60th anniversary, this richly illustrated volume tells the story of that fabled marque. Renowned automotive writer and photographer (and Porsche aficionado) Randy Leffingwell focuses his lens on each important model. His pictures, in-depth analyses of each car and its context, and interviews with key personnel comprise a complete, compelling, and often revealing history of the world's premier name in sports cars.

My Personal Review:
Excellent book. It’s not, as others pointed out, a full history of the marque, but it offers a broad view and a few unique insights. A must have in any Porscophile's library.
