My Personal Review:
My 2+ daughter LOVES these books. She even likes the packaging. She takes them out of the box and puts them back over and over. Each book goes in the spot that matches the flower color. Woe is he/she who puts the wrong book in the wrong place! The books tell the basic story of each character - Snow White, Ariel, Belle, and Cinderella - without the "intensity" that accompany some of the movies. These books are a great substitute. Be prepared to read them again and again. Of course, they all live happily ever after.
