Great!

Tired of feeling like your sex life has become boring? Frustrated that your sex drive isn't what it used to be? Do you really understand what your body needs to be sexually satisfied? If you are like most women, figuring out exactly how to spice up your sex life can feel intimidating. Patty Brisben is here to help you learn the secrets behind your body's sexuality and revitalize your intimate relationship with your partner. As the founder of Pure Romance™, the nation's leading in-home party company specializing in romance and relationship enhancement products, Patty has been keeping women's sexual secrets for years. And now she wants to help you. She knows that it can be hard to get accurate, honest, compassionate answers to your most private of questions, but she also knows that if you
give up on your sexuality, you're turning your back on an essential part of life. The first step toward living your best sexual life is learning how to truly tune in to your body's sexual health, its needs, and all the factors that may be inhibiting you from feeling pleasure and sensation. Like no sex educator before, Patty finally offers information that will teach you how to overcome your insecurities, understand your libido, and learn the ins and outs of orgasm. Once you reconnect with your sexual self, then you can let your partner in on the fun. With Patty's step-by-step guidelines, you can transform your intimate relationship, infusing it with novelty, passion, and pleasure. You will find tips that have helped thousands of women find the right lubricant, introduce a bedroom accessory to their relationship, and expand their notions of orgasm, intercourse, and massage. Using Patty's time-tested techniques, you and your partner will reconnect and reignite your relationship — forever!

Throughout Pure Romance Between the Sheets, Patty answers questions from real women, covering the full range of common sexual concerns, from the connection between birth control and sex drive to how common medications can impact arousal, and why lubricants and other enhancement products can literally resuscitate sexual desire and pleasure. Pure Romance Between the Sheets will give you the knowledge and confidence to live the fuller, healthier, and more sexually satisfying life that you deserve.

**Personal Review: Pure Romance Between the Sheets: Find Your Best Sexual Self and Enhance Your Intimate Relationship by Patty Brisben**

Whether you are single or attached, this is a great book to own. It is filled with tons of information on women's sexual health and how to spice things up in the bedroom. And who doesn't need help in that department!? I love that the author is so down to earth and speaks in a language that the average woman can understand. Kudos to Patty Brisben for helping women around the world take control of their sexuality and enjoy being a woman!!
