Great Book For A Beginning Reader

In this funny picture book,
a toddler named Sam,
who knows what he wants,
stops clever Kitty from
stealing his new rubber ball.

My Personal Review:
This was my sons first book that he read himself. When the kitty takes the ball from Sam, the reader exclaims, Bad Kitty! In the world of a beginning reader, this is hilarious. He laughed out loud and of course, the laughter was contagious. That is exactly what reading should be, FUN! We purchased this book that we originally checked out at the library. It will always hold great memories of the beginning of our sons adventure into reading.
