Simple Spells for Hearth and Home: Ancient Practices for Creating Harmony, Peace, and Abundance by Barrie Dolnick

Every room in your house can produce its own energy and personality. Painting the walls and arranging furniture is a beginning, but there's so much more you can do to make your home uniquely your own. You can imprint your heart energy in a room or even in a tiny space and ground it there. Simple Spells for Hearth and Home will help you ensure ease and camaraderie in your dining room, create abundance and good health in your kitchen, and generally enhance the radiance of every inch of your living space.

With this wonderful book at your fingertips, Barrie Dolnick, the founder of Executive Mystic, gives wise and delightful advice that can make any home a haven. Learn which materials and elements give ease to a room, how to create a welcoming space for a new baby, and how to harness nature's harmony, including which trees to plant around your home -- fig for fertility, almond for prosperity, and apple for love. These are just a few of the plentiful and spellbinding things that Barrie Dolnick has to share. There are spells for special occasions -- from Father's Day to Thanksgiving to Passover -- and spells for family gatherings; rituals for blessing a new home and for leaving a home you have loved. Simple Spells for Hearth and Home helps you recognize your power to influence and create a home blessed with the spirit of health, joy, and vitality.
