El Skippito is back! Avoiding a lecture from Mama Junebug, the kitty boy slips into his closet . . . and finds himself in ancient Egypt. His doggy pals, Los Chimichangos, want to visit the Under Mundo—the underworld—where mummitos rest in peas. But they need El Skippito’s brains and courage to answer the riddle of the Finx and enter the mummy’s tomb. Our hero is up to the task, and he’s in for another grand and whirlwind adventure. Full of Judy Schachner’s rollicking wordplay and bold, imaginative illustrations, Skippy’s latest outsize outing will tickle the funny bones and warm the hearts of his many amigos.

My Personal Review:
One of my students recently introduced me to Skippyjon Jones. I instantly fell in love. I purchased In Mummy Trouble to go along with my Egypt unit coming up in two weeks. I cant wait to read it aloud. I have shared the book with other teachers and a few friends. You just cant help but to laugh at the play on words, the silly situations, and the Spanish-ito language they use. Plus, the pictures are fun.

I recommend this book to everyone!
