My Personal Review:
The book Snake is the biography of Ken Stabler the Oakland Raiders renegade quarterback of the 1970's. The book was very interesting and was very detailed. I recommend reading this book if you are a football fan. Also if you are an Oakland Raiders fan this book is for you. If you do not vulgar language or talks of sex, drugs and rock and roll you should not read this book. The book had many strong points, which include very detailed recolations of games and wild nights. My overall opinion of the book is that was very interesting and if you have a weak stomach this book is not from you. Snake is a book for football lovers and if you liked this book check "I'm the Assassin" by Jack Tatum another renegade from the Oakland Raiders in the 1970's. Go Raiders.
