THE REISSUE OF the classic Grimm tale of a beautiful young girl with skin as white as snow, lips and cheeks as red as blood, and hair as black as ebony is breathtakingly realized by acclaimed artist Charles Santore in this lush, lovely picture book.

My Personal Review:
This book has marvelous illustrations of the fairy tale story as originally told by the Grimm brothers. This book can be great for young children as the pictures are so vivid and life-like, especially of Snow White who is portrayed as a child rather than a teenager. Each picture is a springboard for conversation with little ones. I will be looking for all of Charles Santore's books after seeing this one.
