Fern loved Wilbur more than anything, and Wilbur loved her too. . . .

Some Pig! introduces a new generation to Wilbur, the most lovable pig in children's literature. E. B. White's masterful text from the classic Charlotte's Web, combined with artist Maggie Kneen's finely detailed work, brings to life the enchanting friendship between Fern and Wilbur. This charming picture-book edition will capture the imagination and win the hearts of young readers everywhere.

My Personal Review:
This lovely picture book, based on a short part of the beloved E. B. White classic, is perfect to introduce the story and characters to younger children who are not yet ready for longer chapter books. The story focuses on Fern's love for Wilbur, omitting details of the original story that might be disturbing for a younger audience (such as the fact that the runt of the litter was usually killed). We follow Wilbur's adventures when he lives with Fern, and the story ends when he is sold to Mr. Zuckerman and goes to live in his barn, where he will eventually meet Charlotte (she does not appear in this story). The traditional, realistic artwork with its muted colors fits into the spirit of the original Garth Williams black and white illustrations, while offering new and charming visions of Wilbur's early days with Fern. The close-up perspective of Fern wheeling the dozing Wilbur and her baby doll in her doll carriage is a particularly lovely example. Highly recommended for preschool storytime, particularly with a pig or farm theme. Suitable for children 3 through 8.
