The Grandma Book by Todd Parr

Shows There Is A World Full Of Grandmas And Each One Is Special.

With his characteristic vibrant illustrations and simple but poignant text, Todd Parr celebrates the special bond between grandparents and grandchildren. From dancing grandmas and hula-hooping grandpas to grandmas and grandpas in wheelchairs and in nursing homes, these two books are a tribute to all the different kinds of grandparents in the world.

My Personal Review:
My granddaughter loves the childlike illustrations and brightly colored pages. This is a book she enjoys by herself because the art seems as important as the words. Being a long-distance Grandma, I like that this book keeps Grandma in the forefront of a child's mind. It shows there is a world full of Grandmas and each one is special.
