Plenty Of Information

Craig S. Keener presents fascinating, wonderfully useful information on the historical and cultural backgrounds of nearly every verse in the New Testament.

I found this commentary to be thoroughly challenging & in-depth for use in my daily personal quiet time. As a beginning ministries student, I have been blessed by the explanations of background and cultural traditions prominent in Biblical times and how this so heavily influenced Biblical events & perspectives of the authors. The glossary & maps could use more development, but overall I find this commentary to be quite indispensible in gaining a greater understanding of Gods' Word.
