The Illustrated Hitchhiker's Guide to the Galaxy

The Illustrated Hgttg Is A Must For Every D. Adams Fan.

State-of-the-art, digitally generated graphic images and tricky visual puns accompany the complete text of the cult classic story of one young man's zany adventures in outer space. 50,000 first printing.

My Personal Review:
The story:

It's a Thursday when the earth gets destroyed to make space for a new hyperspace highway. The human Arthur Dent and his friend, Ford Prefect from the Planet Beteigeuze, are flagged up to the Vogon spaceship. From now on begins a crazy travel through the Universe (and beyond) ... 

Specials about this book:

If you are a real Douglas Adams fan, you MUST own this book.
The whole story is described with funny looking pictures,

and even Adams itself has a guest-role.
