In this momentous final book in the New York Times best-selling Percy Jackson and the Olympians series, the long-awaited prophecy surrounding Percy's sixteenth birthday unfolds. And as the battle for Western civilization rages on the streets of Manhattan, Percy faces a terrifying suspicion that he may be fighting against his own fate.
Personal Review: The Last Olympian (Percy Jackson & the Olympians, Book 5) by Rick Riordan
Amazing is what I have to say about this book and its entire series. You will never see Greek Mythology in the same light. A bold daring and refreshing approach. Rick's coming out with a new series based on the Egyptian God's and I cannot wait!!! Loved every minute of these books could not put them down. Buy yourself one and get someone a set for themselves.
